TRANSNATIONAL MEETINGS

The project started in 2018 and so far there have been two transnational meetings, one in Rogaška Slatina, Slovenia, and the other in Patras, Greece.

In Rogaška Slatina, the partners had the opportunity to get to know each other and to learn about the detailed plan of the project and its activities. A detailed timeline of the project was established, as well as the dissemination plan of the project.

In Patras, all partners presented the project activities they have carried out in the first period of the project. The initial draft of the guideline and the Android application were presented. The partners also made plan for the future and discussed the evaluation of the project activities.

Next meeting will be held in January 2020 in Vukovar, Croatia.

ACTIVITIES IN THE NEXT PERIOD

- 3rd Transnational Project Meeting will be held in Vukovar Croatia
- The practical exercise, developed by the partners, will be discussed, tested and evaluated by all partners
- The theoretical part of the guideline will be further developed and evaluated
- The Android application will be filled with data from the guideline and tested
- Final evaluations of the guideline and the application will be made
- The content of the guideline and the application will be translated into languages of the participating countries
